

~ APT Vision Chart

~ My/Our Vision of a Successful

In the ideal situation:
what would be evidence or indications
of successful or desirable outcomes?
(People's feelings, perceptions,
behaviour, results situations etc)

The chart is a hierarchical tree structure. At the top is a solid-bordered box containing the text '~ My/Our Vision of a Successful'. A horizontal line extends from the bottom of this box, with seven vertical lines descending from it to the top of seven dashed-bordered boxes. Each of these seven boxes contains a tilde symbol (~). Below each of these seven boxes is a large dashed-bordered rectangle. Each of these large rectangles is further divided into a 4x4 grid of smaller dashed-bordered rectangles. Each of these smaller rectangles contains a tilde symbol (~). This structure allows for a detailed breakdown of the vision into specific, measurable indicators.
